**If You Directly Purchased Airfreight Shipping Services Between January 1, 2000
and September 11, 2006, You Could be Affected by Proposed Class Action
Settlements.***A Federal Court authorized this notice. This is not a solicitation from a lawyer.*

- There are partial Proposed Settlements totaling approximately \$118 million in a class action lawsuit about Airfreight Shipping Services. The lawsuit is called *In re Air Cargo Shipping Services Antitrust Litigation* and is pending in the United States District Court for the Eastern District of New York. The Proposed Settlements are partial because there are a number of other Defendants remaining in the case and the litigation is continuing as to those other Defendants.
- Under the **Air France-KLM Settlement**, Société Air France, Koninklijke Luchtvaart Maatschappij N.V., and Martinair Holland N.V., have paid \$87 million. Under the **Japan Airlines Settlement**, Japan Airlines International Co., Ltd. has paid \$12 million. Under the **American Airlines Settlement**, American Airlines, Inc. and AMR Corporation have paid \$5 million. Under the **SAS Settlement**, Scandanavian Airlines System and SAS Cargo Group A/S have paid \$13.93 million. All of the settling carriers also have agreed to cooperate in the case against the remaining Defendants. The settling carriers have asserted a number of defenses to Plaintiffs' claims but have settled to avoid the cost and risk of a trial.
- You may be affected by these Proposed Settlements if you purchased Airfreight Shipping Services directly from one or more Defendants for shipments to, from, or within the United States from January 1, 2000 to September 11, 2006.
